## ***Divorce Guide:***

### ***10 Questions to Ask Your Financial Advisor About Going Through a Divorce***

---

*Divorce is an emotionally and financially tumultuous time in one's life, often requiring careful consideration and strategic planning to protect your financial well-being. Amid the myriad of decisions you must make, consulting with a financial advisor may not be at the top of your list. However, discussing your divorce and assets with a trusted financial advisor is of utmost importance. Their expertise can provide invaluable guidance and help you navigate the complexities of dividing assets, ensuring a secure future. By taking proactive steps and seeking professional advice, you can empower yourself to make informed financial decisions and secure your financial future in the midst of divorce. Here are the 10 questions to ask your financial advisor about going through your divorce and what you need to know.*

Speaking to: \_\_\_\_\_  
(name) (position)
