Phone Check In Worksheet

The phone check in worksheet can be created for you by you or for someone you want to support. All that matters is someone needs connection every day. And we're here to support you in that endeavor. Once filled out, take a picture of it on your phone and text it to all members of the group.

If you don't know what to say here is a script:

Hey, I/[person] really needs to connect with someone who loves them every day. Is it cool if I add you in for [day of week]? Just a quick call daily to make sure they're doing alright. I am going to text you a pic of the filled out sheet once it's complete.

Let's support

_____ (key person)

key person will call
assigned day will call

_____ (phone)

_____ (alt. phone)

What happens if we can't get in touch with key person or key person can't get in touch with day of week?
